AOP Bordeaux, Bordeaux, France

Elegance by Lyonnat is a very nice balanced red Bordeaux, selected by Charlotte Milhade.

PRESENTATION

The cuvée Elegance by Lyonnat is a red wine dominated by Merlot, famous grape of the right bank of Bordeaux, which gives it gourmet aromas of red fruits. Blended with Cabernet Sauvignon we obtain a generous and fruity wine.

THE VINTAGE

This year was marked by a warm and rainy winter that ended in a beautiful summer and a dry and sunny early autumn allowing the grapes to reach maturity. Fears due to hail episodes during the month of May which fortunately remained inconsequential.
